When support payments are made the county welfare department shall determine the effect of those payments on the eligibility of the AFDC recipient family. This section deals only with the determination of financial eligibility where a support payment has been made to the District Attorney or some other county agency or where the recipient has received the support payment and forwarded it to the appropriate agency. If a recipient has received a support payment directly from an absent parent and he or she does not send the payment to a county agency, the welfare department should notify the District Attorney (Section 43-201.215) and treat the entire payment as unearned income in the month received.

.31 (Continued)

- .32 when the welfare department receives a notice of collection (.31 above), it shall redetermine the AFDC recipient family's eligibility in accordance with Section 44-207. This means that the amount of the collection on the current support obligation, after allowing the disregard in Section 44-111.47, will be used in estimating financial eligibility.

(6) Amend MPP Section 44-101.32 through .324 to read:

44-101 INCOME DEFINITIONS (Continued)

44-101

.3 Current Income (Continued)

.32 Exception: If an applicant or recipient with earned income is not receiving advance Earned Income Credit (EIC) payments, the county shall determine the amount of advance EIC which the applicant or recipient would be eligible to receive if he/she had requested an advance EIC payment from his/her employer by filing an Earned Income Credit Advance Payment Certificate (IRS Form W-5). This assumed EIC amount shall be included as earned income; however, EIC shall not be assumed for persons not included in the FBU.

.321 The amount of advance EIC can be determined from Internal Revenue Service (IRS) Publication 15, Circular E and Supplement Reprints.

(a) The county shall utilize only the tables for the Wage Bracket Method of Advance EIC Payment in this determination.

(b) If the applicant/recipient has more than one employer, the computation of the assumed advance EIC payments shall be based on the combined earnings of all employers.

.322 Current income includes Earned Income Credit (EIC) payments when actually received as advance payments or as a single payment at the end of the tax year. See Section 44-207.4. An individual is considered eligible to receive advance EIC payments if all of the following conditions are expected to be met for the tax year.

(a).321 The amount of his/her yearly "adjusted gross income" (including that of the spouse) is expected to be less than \$10,000 11,000. "Adjusted gross income" refers to the amount used for IRS tax purposes; e.g., for 1980 adjusted gross income was reported on Form 1040a, line 11 or on Form 1040, line 31.

(b).322 The individual is expected to have at least one child living with him/her in the United States for the entire year except when the child is away at school or on vacation. The child must be one of the following:

- (1) The individual's child, stepchild, or a child placed with him/her by an authorized placement agency for legal adoption (even if the child becomes the recipient's stepchild or adopted child, or is placed, during the year); or any other child cared for as his/her own child for the whole year, unless the child's natural or adoptive parents provide more than half of the support for that year.

(e)323 If the individual is married, that a joint tax return is expected to be filed.

(e)324 If the individual is unmarried or living apart from his/her spouse, that he/she is expected to pay at least half the cost of keeping up his/her household. AFDC payments which are used to pay part of the cost of keeping the household are not counted as amounts furnished by the individual.

(e)325 All the earned income is expected to be from sources inside the United States and not eligible for exclusion or exemption as foreign income or income from U.S. possessions.

(f)326 Either the individual expects to claim an exemption for the child living with him/her or he/she expects to qualify as head of household for IRS tax purposes.

*323 If the applicant or recipient files a W-5 with his/her employer but does not receive advance EIE payments because the employer refuses to issue them, the advance EIE payments to which he/she would otherwise be eligible shall not be considered as income. Any amounts of EIE previously assumed under these circumstances are underpayments.

*324 Advance EIE payments shall not be assumed to be available to agricultural workers paid on a daily basis.

■325.6 Reconciliation of Advanced Earned Income Credit (EIC) to Year-End EIC.

†3†.6 Definitions

†1†(a) Advanced EIC: The total EIC advanced to the recipient during the tax year. This figure is obtained from the IRS forms w-2, 1040 or 1040A.

†2†(b) Year-End EIC: The year-end EIC entitlement for the tax year. This figure is obtained from the IRS forms 1040 or 1040A.

†3†(c) Year-End EIC Payment: The payment made to the taxpayer when the year-end EIC is greater than the amount of the advanced EIC.

†4†(d) Actual Advance EIC: The EIC actually received by the individual on a monthly basis during the tax year.

†5†(e) Assumed EIC: The monthly EIC used by the county to determine the AFDC grant when the individual would be eligible to receive advance EIC payments, but has not applied or is not yet receiving them. EIC payments shall not be assumed after September 30, 1994.

†6†(f) Year-End EIC attributable to AFDC: That portion of the year-end EIC attributable to the individual's term as an employed AFDC recipient for (or during) the tax year. For purposes of this definition, the term "on aid" means the number of months on aid.

†7†(g) For the tax year: The actual advance EIC, assumed EIC, and earnings received by the recipient during the calendar year. Disregards will be considered as applied to such income in the month of receipt, even though the corresponding payment month falls outside the calendar year.

(b)(h) Reconciliation: The method by which the recipient:

- (1) is compensated for AFDC benefits lost due to the overcounting of actual advance EIC ~~(actual and/or assumed)~~, or
- (2) has his/her countable year-end EIC payment adjusted by the amount of actual EIC assumed received for the tax year.

(b).62 Reconciliation Methodology

(1).621 If the total amount of actual advance EIC which was counted in determining the recipient's net nonexempt earned income received during the tax year differs from the year-end EIC, or if any assumed EIE was counted, reconciliation is required. Reconciliation and payment of any resulting EIC adjustment shall be made to current recipients only.

(a) The recipient is responsible for providing all information and documentation necessary to complete the reconciliation computation. Such information includes, but is not limited to, the recipient's income tax return (IRS form 1040 or 1040A) and/or any tax refund check received. If the recipient fails to provide necessary documentation, then reconciliation shall not be made.

(2).622 If the tax return shows that the year-end EIC is greater than the advanced EIC and the recipient is entitled to any payment from the Internal Revenue Service (IRS), the following reconciliation shall be made after such payment is actually received from the IRS.

(a) If the recipient receives a payment from the IRS for the previous tax year, the county shall segregate that portion of the payment which represents the year-end EIC payment from the tax refund. That portion shall be treated as lump sum earned income in the month received (see Section 44-207.4).

(b) if a portion of the payment from IRS represents a year-end EIE payment, the

county shall deduct the total assumed EIC used in grant computations for that tax year from the year-end EIC payment. The remainder is earned income in the month received.

(b) If the recipient fails to provide necessary documentation [see (b)(1)(A) MPP Section 44-113.621(a) above] and the county cannot establish the amount of the year-end EIC payment, the entire amount of the payment received from the IRS shall be considered an income tax refund.

(c) Example:

- The year-end EIC payment is \$500.
- The wife worked for one month during the tax year and is not working when the payment is received.
- The husband received the 30 and 1/3 disregard for four months and is employed full-time earning \$600/month when the year-end EIC payment is received. Two hundred dollars (\$200) EIC was assumed advanced for the tax year based on the husband's earnings.
- Both the husband and the wife are members of the FBU when the year-end EIC payment is received.

	WIFE	HUSBAND
Share of EIC*	\$250	\$250
Minus Assumed Advanced EIC	- 0	-200
Plus Other Earnings	+__0	+600
Subtotal	\$250	\$650
Minus Standard Work Expense Disregard**	- 0	- 75
Minus Dependent Care Disregard (no expense)	- 0	- 0
Minus 30 and 1/3 Disregard***	-103	-__0
Subtotal	\$147	\$575
Plus Unearned Income	+__0	+__0
Net Nonexempt Income	\$147	\$575
Husband	\$575	
wife	+147	

\$722 Total net nonexempt income for use in the lump sum computation in Section 44-207.4

- * Year-end EIC is split between the husband and wife when both were earners in the tax year. If only one spouse worked during the tax year, the year-end EIC is attributable only to that earner.
- ** The standard work expense disregard is applied only when other earner income is received at the time EIC is received.
- *** The \$30+1/3 and, as applicable, the \$30 disregard is applied only if there is eligibility to the disregard when the EIC is received.

(3) 623 If the tax return shows that the year-end EIC is less than the advanced EIC, a prompt reconciliation shall be made as follows:

- (A)(a) Determine whether the year-end EIC attributable to AFDC is greater than the

total amount of advance EIC counted as income for AFDC purposes for the tax year. This is determined as follows:

~~+++~~(1) Obtain the monthly entitlement by dividing the year-end EIC (as listed on IRS form 1040 or 1040A) by the total number of months in the tax year during which the recipient had earnings.

~~+++~~(2) Multiply the monthly entitlement above by the number of months the recipient had earnings while on aid during the tax year in order to obtain the year-end EIC attributable to AFDC.

~~+++~~(3) If the year-end EIC attributable to AFDC is greater than the total amount of assumed and actual advance EIC counted as income to the FBU for the tax year, no further reconciliation is necessary.

~~B+~~(D) When the year-end EIC attributable to AFDC is less than the total assumed and actual advance EIC counted as income to the FBU for the tax year, reconciliation shall be made as follows:

~~+++~~(1) Subtract the year-end EIC attributable to AFDC [as determined in .623 (a)~~+++~~(2) above] from the total actual advance EIC payments ~~{assumed and/or actual}~~ counted as income to the FBU for the tax year.

~~+++~~(2) Divide the remainder above by the number of months advance EIC payments were received or assumed for AFDC for the tax year to obtain the maximum monthly adjustment.

~~+++~~(3) Multiply the maximum monthly AFDC adjustment above by the number of months for the tax year in which the \$30 and 1/3 disregard was applied to actual advance EIC payments ~~{actual or assumed}~~.

~~(iv)~~(4) Multiply the amount above by 2/3.

~~(v)~~(5) Multiply the maximum monthly AFDC adjustment in ~~(iii)~~ (2) above by the number of months for the tax year in which actual advance EIC payments ~~(actual or assumed)~~ were considered income for AFDC purposes but the \$30 and 1/3 disregard was not applied.

~~(vi)~~(6) Add the amounts in ~~(iv)~~ (4) and ~~(v)~~ (5) above to determine lost AFDC benefits to be adjusted.

~~(vii)~~(7) The amount in ~~(vi)~~ (6) above shall be issued as an EIC adjustment payment.

~~(e)~~(c) Example: Computation of the EIC adjustment payment

Computation Factors

- Recipient was employed 9 months in the tax year.
- Recipient received AFDC during 7 of the 9 months he/she was employed during the tax year.
 - The \$30 plus 1/3 disregard was applied in 4 months while aided.
 - The \$30 plus 1/3 disregard was not applied in 3 months while aided.
 - Actual ~~Advanced~~ EIC ~~(assumed and actual)~~ counted in the computation of the recipient's aid payments for the tax year totaled \$300.
- Recipient's 1040 or 1040A for the tax year indicated.

- Year-end EIC \$350

- Advanced EIC \$400

Computation Steps

Determination of whether EIC counted for AFDC during the tax year (\$300) was greater than the year-end EIC attributable to AFDC:

$$(1) \quad \frac{\$350 \text{ [year-end EIC]}}{9 \text{ months [months of earnings]}} = \$38.889 \text{ [monthly EIC entitlement]}$$

[see 44-101-325(b)(3)(A)(i) 44-113.623(a)(1)]

$$(2) \quad \$38.889 \times 7 = \$272.222$$

[monthly EIC [months of earnings] [year-end EIC
entitlement] while aided] attributable to AFDC]

[see 44-101-325(b)(3)(A)(i) 44-113.623(a)(2)]

$$(3) \quad \$272.22 - \$300 = \$27.8478$$

[year-end EIC [EIC counted in [overcounted EIC]
attributable AFDC grants in
to AFDC] the tax year]

$$\frac{\$300}{\text{[EIC counted in AFDC grants in the tax year]}} - \frac{\$272.22}{\text{[year-end EIC attributable to AFDC]}}$$

[see 44-101-325(b)(3)(B)(i) 44-113.623(b)(1)]

If the EIC counted in the computation of AFDC payments during the tax year (\$300) exceeds the year-end EIC attributable to AFDC (\$272.1622), compute the EIC adjustment payment as follows:

$$\text{fv}(4) \quad \frac{\$27.8478 \text{ [overcounted EIC]}}{7 \text{ [months of EIC payments [maximum monthly considered while aided] adjustment]}} = \$3.987$$

[see 44-101-325(b)(3)(B)(i)(44-113.623(b)(2))]

$$\begin{array}{rclclcl} \text{fv}(5) & \$3.987 & \times & 4 & = & \$15.9287 \\ & \text{[maximum monthly adjustment]} & & \text{[number of aided months the \$30 \& 1/3 disregard applied to advance EIC payments]} & & \text{[total v(5)]} \end{array}$$

[see 44-101-325(b)(3)(B)(i)(44-113.623(b)(3))]

$$\begin{array}{rclclcl} \text{fv}(6) & \$15.9287 & \times & 2/3 & = & \$10.613 \\ & \text{[total v(5)]} & & & & \text{[total v(6)]} \end{array}$$

[see 44-101-325(b)(3)(B)(i)(44-113.623(b)(4))]

$$\begin{array}{rclclcl} \text{fv}(7) & \$3.987 & \times & 3 & = & \$11.941 \\ & \text{[maximum monthly adjustment]} & & \text{[number of aided months the \$30 \& 1/3 disregard not applied to advance EIC payments]} & & \text{[total v(7)]} \end{array}$$

[see 44-101-325(b)(3)(B)(i)(44-113.623(b)(5))]

$$\begin{array}{rclclcl} \text{fv}(8) & \$10.613 & + & \$11.941 & = & \$22.554 \\ & \text{[total v(6)]} & & \text{[total v(7)]} & & \text{[EIC adjustment payment]} \end{array}$$

[see 44-101-325(b)(3)(B)(i)(44-113.623(b)(6))]

.624 The following methodologies shall be used for the reconciliation of advance EIC (actual and assumed) to year-end EIC for the tax year 1984 when any EIC payments were assumed received for the months of January 1984 through September 1984 and were

counted in determining the recipient's net nonexempt earned income. EIC payments shall not be assumed after September 30, 1984. If no EIC payments were assumed during tax year 1984, use the reconciliation methodology in .622 and .623 above.

(a) If the recipient fails to provide the necessary documentation for the following calculations, reconciliation shall not be made.

(b) If the tax return shows that the year-end EIC is greater than the advance EIC (actual and assumed), the county shall deduct the total advance EIC used in the grant computations for the tax year 1984 from the 1984 year-end EIC payment. The remainder is lump sum earned income in the month received. See Section 44-207.4.

(c) Example:

- The year-end EIC payment is \$500.

- The wife worked for one month during the tax year and is not working when the payment is received.

- The husband received the 30 and 1/3 disregard for four months and is employed full-time earning \$600/month when the year-end EIC payment is received. Two hundred dollars (\$200) EIC was assumed for the tax year based on the husband's earnings.

- Both the husband and the wife are members of the FBU when the year-end EIC payment is received.

* Year-end EIC is split between the husband and wife when both were earners in the tax year. If only one spouse worked during the tax year, the year-end EIC is attributable only to that earner.

** The standard work expense disregard is applied only when other earner income is received at the time EIC is received.

*** The \$30+1/3 disregard is applied only if there is eligibility to the disregard when the EIC is received.

(d) If the 1984 tax return shows that the year-end EIC is less than the advance EIC

(actual and assumed) reconciliation shall be as follows:

- (1) Subtract the year-end EIC attributable to AFDC [as determined from the methodology described for actual EIC in .623(a) above] from the total advance EIC payments counted as income to the assistance unit for the 1984 tax year.
- (2) Divide the remainder above by the number of months advance EIC payments were received or assumed for AFDC for the 1984 tax year to obtain the maximum monthly adjustment.
- (3) Multiply the maximum monthly AFDC adjustment above by the number of months for the 1984 tax year in which the \$30 and 1/3 disregard was applied to the advance EIC payments.
- (4) Multiply the amount above by 2/3.
- (5) Multiply the maximum monthly AFDC adjustment in (2) above by the number of months for the 1984 tax year in which advance EIC payments were considered income for AFDC purposes but the \$30 and 1/3 disregard was not applied.
- (6) Add the amounts in (4) and (5) above to determine lost AFDC benefits to be adjusted.
- (7) The amount in (6) above shall be issued as an EIC adjustment payment.
- (8) Example: Computation of the EIC adjustment payment

Computation Factors

- Recipient was employed 9 months in the 1984 tax year.

= Recipient received AFDC during 7 of
the 9 months he/she was employed
during the tax year.

= The \$30 plus 1/3
disregard was applied in
4 months while aided.

= The \$30 plus 1/3
disregard was not applied
in 3 months while aided.

= Advance EIC (assumed and
actual) counted in the
computation of the
recipient's aid payments
for the 1984 tax year
totaled \$300.

= Recipient's 1040 or 1040A
for the 1984 tax year
indicated.

= Year-end EIC \$350

= Advance EIC \$400

Computation Steps

Determination of whether EIC counted for AFDC during the 1984 tax year (\$300) was greater than the year-end EIC attributable to AFDC:

$$(1) \quad \frac{\$350 \text{ [year-end EIC]}}{9 \text{ months [months of earnings]}} = \frac{\$38.89}{\text{[monthly EIC entitlement]}}$$

[see 44-113.623(a)(1)]

$$(2) \quad \frac{\$38.89}{\text{[monthly EIC entitlement]}} \times \frac{7}{\text{[months of earnings while aided]}} = \frac{\$272.22}{\text{[year-end EIC attributable to AFDC]}}$$

[see 44-113.623(a)(2)]

$$(3) \quad \frac{\$300}{\text{[EIC counted in AFDC grants in the tax year]}} - \frac{\$272.22}{\text{[year-end EIC attributable to AFDC]}} = \frac{\$27.78}{\text{[overcounted EIC]}}$$

[see 44-113.624(d)(1)]

If the EIC counted in the computation of AFDC payments during the 1984 tax year (\$300) exceeds the year-end EIC attributable to AFDC (\$272.22), compute the EIC adjustment payment as follows:

$$(4) \quad \frac{\$27.78 \text{ [overcounted EIC]}}{7 \text{ [months of EIC payments considered while aided]}} = \frac{\$3.97}{\text{[maximum monthly adjustment]}}$$

[see 44-113.624(d)(2)]

$$(5) \quad \frac{\$3.97}{\text{[maximum monthly adjustment]}} \times \frac{4}{\text{[number of aided months the \$30 \& 1/3 disregard applied to advance EIC payments]}} = \frac{\$15.87}{\text{[total (5)]}}$$

[see 44-113.624(d)(3)]

$$(6) \quad \frac{\$15.87}{\text{[total (5)]}} \times \frac{2}{3} = \frac{\$10.63}{\text{[total (6)]}}$$

[see 44-113.624(d)(4)]

$$(7) \quad \frac{\$3.97}{\text{[maximum monthly adjustment]}} \times \frac{3}{\text{[number of aided months the \$30 \& 1/3 disregard not applied to advance EIC payments]}} = \frac{\$11.91}{\text{[total (7)]}}$$

[see 44-113.624(d)(5)]

$$(8) \quad \frac{\$10.63}{\text{[total (6)]}} + \frac{\$11.91}{\text{[total (7)]}} = \frac{\$22.54}{\text{[EIC adjustment payment]}}$$

.24 \$30 Disregard

.241 When the recipient has received the \$30 and 1/3 disregard in any assistance unit for four consecutive months as provided in .23 above, he/she shall be eligible for a \$30 disregard for a period of eight consecutive months immediately following the end of the four consecutive months.

.242 If for any reason the recipient does not receive the \$30 disregard in a month (e.g. ineligible for aid, terminated employment, etc.), that month shall nonetheless count as one of the eight consecutive months. See 44-113.218.

Example: A recipient works and is eligible for and has received the \$30 and 1/3 disregard for four consecutive months. At the end of the fourth month the recipient lost the job. .47 Child Support Disregard

The first \$50 per month of current child support paid to or on behalf of an assistance unit shall be disregarded when determining both eligibility and grant amount. This disregard applies only to current child support payments and does not apply to spousal support or to child support payment other than current payments. See Section 42-213.2(k).

.471 When the child support payment is received by the county, the amount of the current support payment which is paid to the assistance unit shall be disregarded. This disregard is applied in the month in which the child support payment is received by the county for eligibility determination and applied in the month in which the disregard payment is received by the assistance unit, if different, for eligibility and grant determination.

.472 When the child support payment is directly received by the assistance unit from the absent parent, the first \$50 of such payment is disregarded and the balance of the support payment is considered income to the assistance unit.

.473 The total amount of the current child support disregard attributable to any month shall not exceed \$50 per assistance unit regardless of whether the child support is received by the county, with a portion paid to the assistance unit, or the child support is received by the assistance unit directly. If in the same month the assistance unit receives a disregard payment from the county attributable to a prior month and also receives a current child support payment directly from an absent parent, the assistance unit shall be entitled to both disregards. If the assistance unit receives a payment from the county which consists of payments from current child support for more than one month, the \$50 limit

shall apply only to the total child support disregard for the month to which the disregard is attributable.

For example, the county received current child support payments of \$150 in January, \$150 in February and issued the assistance unit a payment of \$100 in March. To determine the amount of Net Nonexempt Earned Income for the month, the following steps shall be taken:
(Continued)

.217 For each recipient who is eligible to receive the additional \$30 disregard subtract \$30 from the amount remaining after application of .214 and .215 above (see Section 44-111.24).

.2178 The deductions in .214, .215 and .216 and .217 shall not be allowed if the recipient: (1) failed to make a timely report of earned income that month as required by Sections 40-125.922 and 40-181.22; or (2) terminated employment, reduced earnings or refused employment without good cause within the budget period or the 30 days immediately prior to the budget period. (Good cause shall be evaluated using the standards defined in Section 41-442.113); or (3) voluntarily requests a discontinuance for the primary purpose of avoiding the 4 consecutive month limitation on receipt of the \$30 and 1/3 disregard.

.2189 Add together the amounts remaining after application of the above sections for each recipient. This total is net nonexempt earned income for the FBU.

.22 Example. An FBU consists of a mother, two preschool children and two teenage sons, ages 15 and 16. The 15 and 16-year olds are not in school.

The mother is employed for 20 days, works over 100 hours, and earns \$600. The 15 year old son earns \$170 and the 16 year old earns \$140. Child care expenses are \$160 for the first pre-school child and \$130 for the second. The mother is not no longer eligible for the

\$30 and 1/3 exemption, disregard, but is still eligible for the \$30 disregard. but Her teenage sons are eligible for the \$30 and 1/3 disregard. Net nonexempt earned income for the month is computed as follows:

Step (1) Compute remainders for each recipient.

(a) For the mother:

\$600	gross wages
- 75	Amount allowable under 44-113-214
	<u>standard work expense disregard</u>
-160	child care for first preschooler
-130	child care for second preschooler
<u>- 30</u>	<u>disregard</u>
\$235 <u>205</u>	remainder for mother

(b) For the 15-year-old:

\$170	gross wages
- 50 <u>75</u>	Amount allowable under 44-113-214
	<u>standard work expense disregard</u>
- 60 <u>52</u>	<u>\$30 plus 1/3 deduction</u>
\$ 60 <u>43</u>	remainder for 15-year-old

(c) For the 16-year-old

\$140	gross wages
-50 <u>75</u>	Amount allowable under 44-113-214
	<u>standard work expense disregard</u>
-50 <u>42</u>	<u>\$30 plus 1/3 deduction</u>
\$40 <u>23</u>	remainder for 16-year-old

Step (2) Combine remainders for each recipient

(a)	\$235 <u>205</u>	mother
(b)	60 <u>43</u>	15-year-old
(c)	+ 40 <u>23</u>	16-year-old
(d)	\$335 <u>271</u>	net nonexempt earned income of the household.

.3 Income in Cases in Which a Parent or Other Caretaker Has Been Excluded from the FBU (Continued)

.31 If a parent living in the home is excluded from the Family Budget Unit for reasons other than being a recipient of another aid program, a portion of his/her income is income to the Family Budget Unit. This portion is determined as follows:

.311 Determine the parent's net nonexempt income according to Chapter 44-100. Allow disregards in Section 44-113 except the \$30 and 1/3 or, as applicable, the \$30 disregard.

.312 Subtract the maximum aid for the number of persons in the FBU, excluding the parent, from the maximum aid for the persons in the FBU, including the parent. To this difference add any allowable recurring special needs for the excluded parent if such needs are verified. The maximum amount allowed for recurring special needs for the excluded parent shall not exceed \$10.

.313 Subtract the figure determined in .312 from income determined in .311 above. The remaining amount is income to the FBU.

Example: A parent with earned income is excluded from the FBU which consists of three children. Monthly gross earned income is \$350. The parent works 100 hours or more and at least thirteen days per month. Assume MAP for 3 is \$506 and MAP for 4 is \$601.

(1) When the stepparent worked at least 100 hours and at least 13 days in the month to which the earnings are attributable, allow a \$75 disregard.

(2) When the stepparent worked less than 100 hours or less than 13 days in the month to which the earnings are attributable, allow a \$50 disregard.

.13 (Continued)

.2 $\pm 50\overline{185}\%$ Percent Income Limit for Eligibility

•21 Description of ±50 185 Percent Income Limit

The FBU is ineligible any month in which the total reported or anticipated gross income of the family for that month exceeds ±50 185 percent of the combined Minimum Basic Standard of Adequate Care (MBSAC) and the value of any special needs. When the gross income includes the income of a parent living in the home but not included in the FBU, the MBSAC shall be increased by one (1) for such individual.

•211 After application of the appropriate exemptions and exclusions not otherwise precluded by this section, income considered in the ±50 185 percent income limit is the total of gross income as defined in Chapter 44-100. For purpose of the ±50 185 percent income limit, the following exceptions shall apply:

- (a) The standard work expense, dependent care expense and the \$30 and 1/3 and, as applicable, the \$30 disregards shall not be applied to earned income. See Section 44-113.2.
- (b) The child support collected by the county shall be included in gross income, except as specified in Section 44-111.47. See Section 43-201.32.
- (c) The total gross income of excluded parents, without the disregards and exemptions in Section 44-133.3 shall be included in gross income. Only actual EIC received is counted in the gross income of excluded parents.
- (d) The gross earnings of children who are full-time students and/or earnings of children shall be included if these children are included in the FBU. See Section 44-111.22. A child's earnings derived from participation in JTPA programs shall be disregarded for up to six months per calendar year (see Sections 44-111.21 and .22). Up to 12 months of disregards are available per calendar year but no more than six months are available for JTPA-related employment and another six months for non-JTPA-related employment. Income other than earnings. Unearned

income of a child derived from participating in JTPA is totally disregarded with no limitation on time. See Section 44-111.3c.

- (e) The gross income from self-employment shall be adjusted for expenses directly related to production of goods and services before it is counted as gross income. †See Section 44-113.212.†

.22 Applying the †50 185 Percent Income Limit

The †50 185 percent income limit shall be applied to reported income and anticipated income.

.221 Reported Income

- (a) When the income for the budget month reported on the Monthly Eligibility Report (CA 7) exceeds the †50 185 percent income limit for that month, the FBU shall be ineligible.
- (b) When the income results in ineligibility for the FBU and it appears that this level of income will continue, the aid shall be discontinued as soon as administratively possible. Any aid payments received for the month the excess income was received and for the subsequent month are overpayments.
- (c) When the income results in ineligibility for the FBU and it appears this level of income will not continue, the FBU's aid payment shall be suspended for the payment month. †See Section 44-315.6†.
- (d) When the income received in the first or second month of aid exceeds the †50 185 percent income limit and it appears this level of income will not continue, any aid payment received by the FBU in the month the excess income was received is an overpayment. See Section 44-313.1.

.222 Anticipated Income

- (a) The †50 185 percent income limit shall be applied to the county's estimate of total

gross income expected to be received in the payment month.

(b) When the estimated income exceeds the 150 percent income limit, the FBU shall be ineligible for the payment month and aid shall be discontinued. For a month in which income is to be retrospectively budgeted (see Section 44-313.2) and for purposes of applying Section 44-207.222 only, estimated income shall not include the anticipated receipt of a regular and periodic extra paycheck.

(c) When aid is discontinued because the estimated total income is expected to result in ineligibility and the recipient reports this amount of income is not actually received, the county shall rescind the discontinuance and issue the correct grant.

44-352 OVERPAYMENT RECOUPMENT (Continued)

.1 Calculation of the Overpayment (Continued)

.12 Overpayment due to income or need or circumstances other than excess property (Continued)

- .121 Compute the correct grant amount based on correct information for the month involved in the overpayment. If the recipient was totally ineligible for that month, the correct grant amount is zero (0).

In this computation, allow all earned income disregards (including the \$30 and 1/3 and, as applicable, the \$30 disregard) which would have been allowed if the grant had been computed correctly. If the overpayment occurred after October 1981 and was discovered on or after April 2, 1982 and if the overpayment is due to any earned income that the recipient failed, without good cause, to report timely, no earned income disregards shall be allowed for that individual in that month (see Section 44-113.2178).

50-012 WILLIAMS V. WOODS

50-012

.1 Background

H On March 9, 1984 a Peremptory Writ of Mandate was filed in
A San Francisco Superior Court in the Williams v. Woods class
N action lawsuit. The writ orders SDSS to cease enforcement of
D Manual of Policy and Procedures (MPP) Sections 44-113.3,
B 44-115.72, 44-115.81, 44-133.1, and 44-205.231 to the extent
O that these regulations conclusively presume either that
O in-kind income and OASDI benefits for the minor parent are
separate resources independently available to the minor
parent or that OASDI benefits for the minor parent are
available to the Assistance Unit (including the minor parent
and child) when the minor parent lives with a nonneedy parent
who is the representative payee for the OASDI. Therefore,
the writ does not apply to minor parents who do not receive
OASDI benefits or to minor parents who live with needy
parents or those who do not live with a parent.

K The period for retroactive benefits is November 12, 1978
through May 31, 1984. The writ requires that, within 100
days of its filing, the members of the class be notified of
potential eligibility for retroactive benefits, to be
accomplished by a mailing to current AFDC recipients and
posters in specified locations.

The following provisions describe the procedures by which
retroactive aid will be claimed and eligibility for benefits
determined.

.2 Informing potentially eligible persons of the availability of
retroactive benefits.

H .21 In order to notify the class of potentially eligible
persons, SDSS shall:

A .211 Develop and provide CWDs camera-ready copies of
N the combined notice/claim form in English and
D Spanish. This form will notify potential
claimants of the terms of the Williams judgment
and how to apply for retroactive benefits.

B .212 Develop and issue posters in English and Spanish
O which will inform potential claimants of the
O Williams judgment and how to apply for retroactive
benefits.

K

- (a) These posters shall be provided to all county welfare offices and to all Social Security Administration (SSA) offices.

.22 In order to notify the class of potentially eligible persons, the County Welfare Department (CWD) shall:

- .221 Print and mail the informing notice/claim form provided by the Department to all current AFDC recipients by June 1, 1984 with the CA 7s for May 1984, with the June 1, 1984 warrants, or by separate mailing. Spanish versions of the form shall be mailed to recipients that receive Spanish CA 7s.
- .222 Post English and Spanish informing posters supplied by SDSS in lobbies and waiting rooms of all county welfare offices from June 1, 1984 through August 31, 1984.
- .223 Forward a supply of the English and Spanish informing posters supplied by SDSS to all food stamp issuance outlets within the county with a request that the posters be displayed in lobbies and waiting rooms from June 1, 1984 through August 31, 1984.
- .224 Give or mail a Williams notice/claim form to anyone who requests one.

.3 Application for retroactive payment and claims processing.

.31 Claimant Responsibility

- .311 The claimant shall complete the claim form, sign it under penalty of perjury, and send or take it to the CWD(s) from which the claimant received aid or was denied or discontinued from aid during the months for which retroactive aid is being claimed. It shall be the claimant's responsibility to ensure the claim form is submitted to the appropriate county.
- .312 The claimant shall complete and send a separate claim form to each CWD from which the claimant wishes to claim retroactive benefits.
- .313 The claimant shall submit (or resubmit in the case of a previously denied claim) claim forms to the appropriate county (see .311 above) on or before August 31, 1984 except as specified in .325c.

.314 Claimants shall complete a Supplemental Claim Form when requested to do so by the CWD and shall return it to that CWD as soon as possible, but no later than 30 calendar days from the date of the CWD's request.

.315 The claimant shall cooperate in obtaining all information/verification necessary to process the claim in accordance with MPP Section 40-157. Failure to provide the needed information/verification in accordance with time frames specified in .323 and .324 below shall result in denial of those months of the claim for which the information/verification is needed. See .47 below.

.32 County Responsibility

.321 The CWD shall stamp each claim with the date the claim was received by the CWD and the name of the county of receipt.

.322 If a CWD receives a claim form for a month in which it appears the claimant lived in another county:

(a) The CWD shall forward the form to the appropriate CWD, if known, and notify the claimant with the Notice of Action (NOA) specified by SDSS, or;

(b) If the CWD is not able to determine the appropriate CWD, the CWD shall return the form to the claimant with an NOA specified by SDSS denying the claim.

.323 Within 30 calendar days of receipt of a claim by the appropriate CWD, the CWD shall determine if a case record exists. If the claimant meets the conditions specified in .41 below and no case record exists or the information it contains is insufficient to process the claim, the CWD shall send the claimant a Supplemental Claim Form and NOA explaining that this form must be completed and returned within 30 calendar days of the date of the notice.

.324 If additional information/verification is needed, the CWD must provide the claimant with the appropriate notice requesting the additional information/verification. The CWD must allow the

claimant a reasonable time for response in relation to the information being requested, but in no case less than 10 calendar days from the date of the notice.

.325 Claim forms shall be submitted on or before August 31, 1984, except as specified below.

(a) The date submitted shall be determined as follows:

- (1) The date the claim was stamped "received" by the appropriate CWD, or;
- (2) If the date in (1) above is after August 31, 1984, the postmark date of the envelope, or;
- (3) If the date cannot be determined by (1) or (2) above, the date the claim was signed.

(b) Claims submitted after the final filing date which have been date stamped by another county in accordance with .321 above shall be deemed submitted on the earliest date stamped on the claim provided that the following conditions are met:

- (1) The claim was either forwarded by another CWD or was resubmitted by the claimant within 15 calendar days after the date of the NOA specified in .322(b) above; and
- (2) The claim is resubmitted with that NOA attached.

(c) If the claimant was a current AFDC recipient as of June 1, 1984 and did not receive the notice/claim form by June 1, 1984, the August 31, 1984 deadline shall be extended by a corresponding number of days to allow a full three-month application period. If verification of the date of receipt is not available, the claimant's sworn statement explaining the circumstances causing late receipt shall be sufficient.

- .326 Claims submitted after the date specified in .325 above shall be denied.
- .327 The CWD shall determine eligibility and issue retroactive aid to eligible claimants or deny the claim, as appropriate, within either 60 calendar days of receipt of the notice/claim form or within 60 calendar days of receipt of a Supplemental Claim Form if the latter form is necessary. The CWD shall also send the appropriate NOA.
- (a) Inability to complete the determination of eligibility within the 60-day period shall not be a basis for denying the claim unless the delay is caused by the refusal of the claimant to participate in the gathering of evidence in accordance with Section 40-157.
- .328 The CWD shall submit to SDSS a statistical report on the form provided by SDSS as follows:
- (a) The report shall be submitted on or before December 12, 1984 and shall contain:
- (1) The number of Williams claims received;
 - (2) The number of Williams claims denied;
 - (3) The number of Williams claims granted in full or in part;
 - (4) The total retroactive dollars paid to Williams claimants; and,
 - (5) The number of Williams claims pending disposition on November 30, 1984.
- (b) Those CWDs that have pending claims on the report specified in (a) above shall submit a second report to SDSS on or before January 7, 1985 which shall contain for those pending claims:
- (1) The number of pending Williams claims denied;
 - (2) The number of pending Williams claims granted in full or in part; and

- (3) The total retroactive dollars paid to the pending Williams claimants.

4 Determination of Potential Eligibility for Retroactive Payments

- 41 Persons potentially eligible for retroactive benefits are those persons who met all of the following conditions during any month between November 12, 1978 and May 31, 1984:

411 Parents under age 18 (minor parents) and/or their child(ren) (born or unborn) who lived together and who were applicants for or recipients of AFDC; and

412 Lived with the nonneedy parent(s) of the minor parent; and

413 The nonneedy parent of the minor parent was the representative payee for OASDI benefits received on behalf of the minor parent; and

414 The minor parent and child(ren) were otherwise eligible for AFDC and the AFDC grant was reduced or terminated or the AFDC application was denied due to income considered available to the assistance unit; and

415 The amount of OASDI considered in determining AFDC eligibility for the minor parent and child(ren) was greater than the amount of the OASDI benefit that was actually made available, in cash, to the minor parent.

- 42 If retroactive benefits are being claimed for a period of time for which aid was denied or discontinued, the assistance unit must have met the following conditions of AFDC eligibility in effect during the period for which retroactive aid is being claimed as determined by information provided on and with the Supplemental Claim Form:

421 Basis of deprivation: for AFDC-Family Group (FG) as specified in MPP Chapter 41-400; for AFDC-Unemployed (U) as specified in MPP Section 41-440.1;

422 Age of the child(ren) as specified in MPP Section 42-101;

- .423 Income eligibility of the assistance unit as specified in .45 below;
- .424 Resource limits of the assistance unit as specified in MPP Chapter 42-200;
- .425 Residence and citizenship of the assistance unit as specified in MPP Chapter 42-400;
- .43 Verification of the factors contained in .41 is required for all claimants; and, in addition, verification of the eligibility factors contained in .42 is required for those claimants who were denied or discontinued from AFDC during the claim months unless the verification is not reasonably available. If verification is not reasonably available, the CWD shall act in accordance with .436 below.
- .431 Verification of receipt of AFDC includes the following:
 - (a) Proof of receipt of AFDC for persons claiming retroactive benefits shall be obtained from the case record if it is available.
 - (b) If the case record is unavailable, sources of verification which the claimant may provide include, but are not limited to:
 - (1) A copy of an NOA or a state hearing decision indicating the claimant was an AFDC recipient during the month(s) aid is being claimed.
 - (2) Copies of any other documents indicating the claimant's welfare status during the month(s) aid is being claimed.
- .432 Verification of denial of or discontinuance from AFDC for excess income shall be obtained from the case record if it is available. If the case record is unavailable, verification which the claimant may provide includes, but is not limited to, the NOA sent the claimant.
- .433 Verification supporting .42 above includes the verification requirements contained in each MPP Section specified under .42.

.434 If there is no case record available or the information in the case record is incomplete, the CWD shall request from the local office of the SSA the following information using Form SSA-1610-U2 unless the claimant chooses to provide verification of (a) and (b) below.

(a) The time period and amount of OASDI benefits the minor parent received and the payee for the benefits.

(b) The date of birth of the minor parent.

.435 Verification of the amount of OASDI benefits made available in cash to the minor parent shall be the statements (provided on the notice/claim form) of the minor parent and the parent that received the OASDI benefits for the minor parent. The statement shall be signed under penalty of perjury except as provided in (a) below.

(a) The sworn statement of the minor parent's parent(s) shall not be required if the senior parent(s):

(1) is deceased, or;

(2) is incapacitated to such an extent that (s)he is unable to provide a signature under penalty of perjury, or;

(3) is unable to be located, or;

(4) is no longer living in the United States, or;

(5) refuses to sign the notice/claim form, or;

(6) if other exceptional circumstances would prevent obtaining the senior parent(s) statement under penalty of perjury.

.436 If the verification specified in .431 through .435 is not reasonably available, the claimant must provide the reasons(s) on the claim form(s). If the reason(s) are acceptable as specified in .435(a) and .436(a), the claimant's sworn

statement as provided on the notice/claim form and/or Supplemental Claim Form shall be accepted.

(a) Acceptable reasons for the unavailability of verification other than that required in .435 above include, but are not limited to:

- (1) The destruction or loss of records.
- (2) Inability on the part of the claimant to locate the third party in order to supply the verification.
- (3) The refusal or inability on the part of the third party to supply the verification.
- (4) Other circumstances beyond the control of the claimant.

(b) If verification is not provided and the CWD determines it is reasonably available under .435(a) and .436(a), the CWD shall request the verification in accordance with .47 below. The CWD shall provide assistance in obtaining verification as specified in .47. The CWD may make any third-party contacts it determines to be necessary. A consent form shall be used for this purpose in accordance with MPP Section 40-157.22.

.437 Discrepancies arising as a result of a third-party contact shall be resolved in accordance with MPP Section 40-157.

.44 The size of the Assistance Unit shall be based on the number of persons who would have been included in the Assistance Unit specified in MPP Section 44-205 for the period claimed.

.441 If retroactive aid is being claimed for a period of time that aid was denied or discontinued and retroactive aid is claimed for a person not entitled to be included in the Assistance Unit as specified in MPP Section 44-205 or who must be excluded as specified in MPP Section 44-206, that portion of the claim shall be denied.

.442 If retroactive aid is being claimed for a period of time that aid was denied or discontinued and retroactive aid is claimed for both the minor

parent and the second parent who lived in the home and who may be included in the Assistance Unit, both shall sign the Supplemental Claim Form.

- (a) If either the minor parent or the second parent fails to sign the claim form, the CWD shall request a signature in accordance with .47 below. If such signature is not provided, the CWD shall not include that parent in the Assistance Unit and shall so notify the claimant on the NDA specified by SOSS.

.45 Income Eligibility

If retroactive aid is being claimed for a period of time that aid was denied or discontinued, the Assistance Unit is ineligible for any month that their income exceeded the income eligibility limits specified in 44-207 which were in effect during the period for which retroactive aid is being claimed.

- .451 Income eligibility shall be determined for each month retroactive aid is claimed if the claimant provides information for each month. If information is not provided on a monthly basis, income eligibility shall be determined on an annual basis or portion thereof for the period claimed. The claimant shall have the option of providing income verification on a monthly or annual basis. (See example in 50-011.462 for method to compute income eligibility on an annual basis.)

This calculation shall include only the income of the senior parent(s). The income of the minor parent or other dependents shall not be included. The calculation shall also not include the OASDI benefits received by the senior parent on behalf of the minor parent. If the income of the senior parent(s) exceeds the MBSAC amount, the senior parent(s) was nonneedy, and the minor parent is potentially eligible for retroactive benefits. If the income of the senior parent(s) does not exceed the MBSAC amount, the senior parent(s) was needy, and the minor parent is not an eligible class member and not eligible for retroactive benefits. For net nonexempt income calculations prior to December 1, 1981, see .533(a) below, and for net nonexempt income calculations following December 1, 1981, see .533(b) below:

.461 If the minor parent is unable to provide information necessary to compute the neediness of the senior parent(s), the CWD shall accept the sworn statement of the senior parent(s) or minor parent certifying that the senior parent(s) had sufficient income to support the minor parent during the claim period to establish that the senior parent(s) was nonneedy.

.47 The CWD shall request missing or incomplete information or verification it determines should be available when

necessary to determine eligibility and benefit levels. Claims submitted on or before the date listed in .325 above shall be held open pending receipt of information requested by the county for the period of time specified in .324 above after the request for additional information is made. During this period, the CWD shall provide assistance as specified in (a) below and may make any third party contacts as specified in .436(b) above. Upon receipt of the requested information or at the end of this period, the county shall, based on the information available, determine eligibility and make retroactive payment or deny the claim in accordance with .315, .327, and .4 above, and .5 and .6 below.

- .471 If the claimant requests assistance, the CWD shall in accordance with MPP Sections 40-107.1 and 40-157.2 assist the claimant as needed in establishing his/her eligibility.

.5 Determination of the Amount of Retroactive Payment

- .51 The amount of retroactive payment shall be computed on a month-by-month basis if the claimant provides information for each month. If information is not provided on a monthly basis, the amount of retroactive payment shall be computed on an annual basis or portion thereof being claimed. The claimant shall have the option of providing information on a monthly or annual basis. (See examples in 50-011.512, .521, and .531 for the method of computation of retroactive payment on an annual basis.)
- .52 Retroactive payments for claimants who received AFDC during the claim period (whether the case record is available or not) shall be computed as follows:
 - .521 For each month claimed that the Assistance Unit met the eligibility conditions in .41 above, determine the amount of OASDI benefits that was used in the original budget computation for the month claimed.
 - .522 From that amount, subtract the amount of OASDI benefits made available in cash to the minor parent (as specified on the notice/claim form) for the month claimed. The remainder is the amount of retroactive payment for that month. If the month claimed is November 1978, the monthly amount shall be prorated from the 12th of the month (the reciprocal is .6333) or from the application date.

whichever is later, in accordance with the reciprocal table in WPP Section 44-315.53.

- .53 Retroactive payments for claimants who were denied or discontinued from AFDC during the claim period shall be computed as follows:

- .531 The county shall determine retroactive payment(s) for the month(s) claimed based on income and expenses from the corresponding budget month(s). Assistance Unit composition and other eligibility factors shall be based on the month(s) claimed.

- .532 For each claim month that the Assistance Unit met the eligibility conditions in .41 and .42 above, determine the Maximum Aid Payment (MAP) for the Assistance Unit determined in .44 above.

.533 Calculate the net nonexempt income of the Assistance Unit.

(a) For income received from November 1, 1978 through November 30, 1981 calculate net nonexempt income as follows:

- (1) Determine the amount of gross earnings of the Assistance Unit for each month claimed.
- (2) Subtract \$30 from gross earnings.
- (3) From the remainder in (2) above, subtract 1/3 of the remainder.
- (4) From the remainder determined in (3) above, subtract the mandatory deductions and work-related expenses which the claimant has verified in accordance with .43 above.
 - (A) The allowable mandatory deductions are: local, state, and federal income tax; social security (FICA) and compulsory retirement; unemployment and state disability insurance contributions.
 - (B) The allowable work-related expenses are: child care expenses, and work-related costs incurred or paid by the claimant.

1) Types of allowable work-related costs include, but are not limited to: transportation costs, amount for gas; tires; oil; car payments; car insurance; license and registration fees; mechanical repairs; repairs or replacement, if directly related to safety; actual cost for riding with another person(s); and other work-related costs not supplied or reimbursed by the employer, including, but not limited to, tools, uniforms, and special equipment necessary for employment.

(C) Proof supporting the mandatory deductions and work-related expenses includes those specified in MPP Section 44-113 in effect during the period for which retroactive aid is being claimed. If the verification is not reasonably available the claimant shall provide the reason(s) on the claim form and the CWD shall act in accordance with .436 above. Acceptable reasons for unavailability of verification are contained in .436 above.

(5) Add to the amount determined in (4), all unearned income received by the Assistance Unit during the claim month. The amount of DASDI benefits used for this calculation shall be that amount of such benefits made available in cash to the minor parent (as specified on the notice/claim form) for the month claimed. In-kind income shall be deducted in accordance with MPP Sections 44-115.72 and 44-115.8.

(6) Subtract from the total determined in (5) any court-ordered child or spousal support payments paid by a member of the assistance unit.

(7) The amount determined in (6) is the net nonexempt income.

(b) For each month claimed for the period from December 1, 1981 through May 31, 1984, calculate net nonexempt income for the income received by the Assistance Unit in accordance with MPP Chapter 44-100. In accordance with the Turner v. Woods court order, mandatory deductions (federal, state, and local taxes, Social Security taxes (FICA) and state disability insurance) shall be subtracted from gross earnings. The \$30 and 1/3 disregard shall only be given for the appropriate number of months in accordance with MPP Section 44-111.23. The amount of OASDI benefits used for this calculation shall be that amount of such benefits made available in cash to the minor parent (as specified on the notice/claim form) for the month claimed. In-kind income shall be deducted in accordance with MPP Sections 44-115.72 and 44-115.8.

.534 Subtract the net nonexempt income determined in .533 above from the MAP determined in .532 above. The remainder is the amount of the retroactive payment for that month. If the month claimed is

November 1978, the monthly amount shall be prorated from the 12th of the month (the reciprocal is .6333) or from the application date, whichever is later, in accordance with the reciprocal table in MPP Section 44-315.53.

.54 If the amount determined in .534 above is less than \$10 for any month from May 1982 through May 1984, the claimant is not eligible for a retroactive payment for that month.

.55 The total of the amounts determined in .522 and/or .534 above for all months claimed is the total retroactive payment.

.6 Delivery of the Retroactive Payment

.61 The payment shall be delivered within 10 calendar days of the date of authorization.

.62 The retroactive payment in .55 above shall be used to offset any collectable outstanding overpayment in accordance with MPP Section 44-351.3. Any amount in excess of the overpayment shall be paid to the claimant.

.63 The retroactive payment received by the claimant shall not be considered income or property for AFDC in the month of receipt or in the following month in accordance with MPP Section 42-213.2(h).

.64 Concurrent with the retroactive payment, the CWD shall send an NOA explaining to the claimant how the retroactive payment was computed and his/her right to request a state hearing.

HANDBOOK

.61 Background

On October 21, 1983 the Court of Appeal, Fourth Appellate District, issued a decision in the consolidated case of Miller vs. Woods and Community Service Center For the Disabled vs. Woods. The court declared invalid MPP 30-463.233c (now 30-763.233c) which provided that no need for protective supervision may be assessed when a housemate is in the home.

.62 Case Review Procedures

.621 The county shall identify no later than June 30, 1984 all open IHSS cases with recipients living with a housemate where a need for protective supervision as defined in 30-757.17 may exist.

.622 The county shall determine through recipient contact whether a need for protective supervision exists unless the case record provides conclusive evidence which indicates that no need exists.

.63 Authorization and Notification

.631 The county shall complete a new Needs Assessment form to authorize protective supervision. The authorization shall be effective as of May 1, 1984.

.632 The county shall send a Notice of Action to all affected recipients which shall state: "Hours for protective supervision are authorized based on the Miller vs. Woods and Community Service Center For the Disabled vs. Woods court action."

.64 Recordkeeping

.641 The county shall maintain a listing of those recipients who were previously not authorized to receive protective supervision because of the presence of a housemate.

(c) Example:

- The year-end EIC payment is \$500.
- The wife worked for one month during the tax year and is not working when the payment is received.
- The husband received the 30 and 1/3 disregard for four months and is employed full-time earning \$600/month when the year-end EIC payment is received. Two hundred dollars (\$200) EIC was advanced for the tax year based on the husband's earnings.

payments were assumed received for the months of January 1984 through September 1984 and were counted in determining the recipient's net nonexempt earned income. EIC payments shall not be assumed after September 30, 1984. If no EIC payments were assumed during tax year 1984, use the reconciliation methodology in .622 and .623 above. (Continued)

40-181 CONTINUING ACTIVITIES AND DETERMINATION OF ELIGIBILITY 40-181

.1 General County Responsibility

- .11 The county paying aid shall be responsible for continuing to determine eligibility to insure payment only to eligible recipients in the correct amount, to assist recipients to meet their financial and service needs as fully as possible, and to make maximum use of their resources and capabilities. For AFDC-FG or U cases, eligibility shall be established by the use of the CA 2 at time of application and then at one year intervals, and also by the CA 7 (Monthly Eligibility Report). For AFDC-FC cases eligibility shall be established by use of the CA 2 at the time of application if the parent or legal guardian is available and cooperating. If the parent or legal guardian is unavailable or not cooperating, eligibility shall be established by use of the CA 2 or FC 2. AFDC-FC eligibility shall be reestablished by use of the CA 2 or FC 2 at six-month intervals.

However, additional determinations shall be made as necessary if unexpected changes in income, property or other circumstances occur which effect the eligibility or grant level of the recipient.

- .12 Issuance of aid in the correct amount is a primary program objective. To achieve this objective it is essential that the county shall:

- .121 Give applicants and recipients at the time of application and at least once every twelve months thereafter complete explanations in writing regarding factors which may cause ineligibility, underpayments or overpayments, and their responsibility to report such changes within five calendar days (Section 40-105.14, Applicant and Recipient Responsibility). The factors which are to be explained shall include changes in income and resources, changes in need, etc. These requirements are met by the use of the CA 2 in AFDC and the APSB 201 in APSB. Verbal explanations shall also be given when necessary to assure understanding. The recipient shall signify

his/her understanding of his/her responsibilities in writing.

- .122 In AFDC, the monthly redetermination of eligibility shall follow the procedures in .121 above. This requirement is met by the use of the CA 7. The CA 7 shall be carefully checked each month upon its receipt so that correct grant computations are made. Special care should be taken to correct grant adjustments for overpayments when income/resources change.
- .13 Aid shall not be discontinued nor a warrant cancelled without compliance with Section 22-022.
- .14 Aid shall not be discontinued due solely to circumstances beyond the control of the recipient which prevents reporting changes within five calendar days or the prompt return of the APSB 201, CA 2 or CA 7 eligibility redetermination forms.
- .15 The county is responsible for continuing identification of service needs of the recipient, including medical assistance, and to provide prompt referral for these services.

11-501

- 9 .16 Referrals for child abuse and neglect are mandatory and may be made without the knowledge or consent of the relative or other person with whom the child is residing.
- 91 .161 Income maintenance staff shall refer to protective services whenever they suspect a child is being abused, neglected or exploited or that the home in which the child is living is unsuitable. See Department of Health regulations Section 30-102 for criteria for referrals.
- 92 .162 Income Maintenance staff shall cooperate with protective services, the court, or other agency in planning or implementing action in the best interest of the child.
- .167 Index and file controls shall be established and maintained to ensure appropriate and timely action on

items which could affect the recipients' eligibility or the amount of aid. This includes, but is not limited to, maintaining a "tickler file" informing eligibility workers when annual redeterminations are due.

- 178 Documents and/or evidence required of the applicant/recipient to support the initial and/or continuing determination of eligibility must be received by the county on or before the appropriate deadline established by the county and/or in conjunction with each Eligibility Chapter of these regulations. However, when the deadline falls on a Saturday, Sunday or holiday, the documents and/or evidence received on the first business day following the weekend or holiday shall have the same effect as if it had been received on the appointed day.
